LEAGUE FORMAT: Softball leagues are played at Freestone Park (Juniper and Lindsay) and are based on the final total of entries (typically 7 games for a single header league or 14 games for a double header league unless an odd number of teams create a bye schedule). All leagues include a round robin schedule, and all teams will be entered in a season ending single elimination tournament where they can play up to 3 more games. Gilbert reserves the right to adjust any policy, regulation, procedure, or format without notice, and to classify teams as deemed necessary.
